Rallye 2004

What's New For 2004?

Exterior:

The top of the range and superb value for money Rallye, continues the Compass family theme with all new blue vehicle livery and graphic designs.

There are many new exterior features including a flush fitting exterior door, new design under slung spare wheel carrier complete with spare wheel, and Big Foot corner steadies. As well as an exterior under bed access locker with 230v input.

Interior:

Styled armrests and sprung upholstery in two-tone Capiro blue, and gold Capiro Montini curtains, tie backs and scatter cushions, define this exquisite interior.

Toronto Maple interior walls, cabinets and woodwork with chrome handles, and mustard, Harrow Berber removable carpets add to the light and spacious feel.

All models come with smart new beige control panels, sockets and light switches, and a practical black doormat. The Truma heater with midnight blue fire front personifies the attention to detail.

Kitchen:

The new Argente stainless steel linen effect, scratch resistant sink, hob and drainer come complete with a bespoke, matching silver washing up bowl. Chinchilla glass hob and sink covers double as chopping boards.

This high specification range comes complete with an illuminated double shelf glass fronted oven and grill finished in Compass grey blue with stainless steel handles and controls, and even a brushed stainless steel effect back wall.

Bathroom:

All Compass models now have a practical new non-slip and anti-bacterial blue shower mat.

The Rallye also benefits from a mini Heki roof light in all bathroom areas.

The Explorer Group Promise

Throughout our history, value for money has been central to the design and development process, through the building and testing of prototypes, to construction, fitting and finishing. The wide range of products we currently offer embraces every imaginable lifestyle, and every touring caravan we produce, from the most inexpensive to the most luxurious, is made with British workmanship and care.

All of The Explorer Group's touring caravans comply with relevant European standards and UK Road Vehicle Regulations.

We recognise the value that peace of mind affords on the open road. So in addition to using the latest materials, components and manufacturing techniques, we offer a range of warranties:

5 Year Water Ingress Guarantee

All Explorer Group products are covered by a new Water Ingress Code of Practice, which provides certain guarantees to cover owners against financial loss for water ingress repairs for up to 5 years

3 Year Comprehensive Factory Backed Warranty

We also offer a 3 year comprehensive factory backed extended warranty as standard.

This combined with the 5 Year Water Ingress Code of Practice, gives an exceptional package of warranty cover. In this way we ensure long-term peace of mind and enhance the resale value of your investment.

The Explorer Group Limited reserves the right to, and does alter from time to time, technical specifications, prices and model ranges as materials, model improvements and conditions require, and can accept no responsibility for discrepancies between these and subsequent models shown.
