BESSACARR Warranty Cover for your peace of mind

Complete customer satisfaction is always a top priority with Cameo and the quality ethos extends to the after sales service and market leading manufacturer's warranty package that comes with every new Cameo caravan. This is designed to give customers confidence in the latest generation of touring caravans.

Six year bodysell integrated guarantee

The guarantee extends to the following items:

Body leaks and delamination: water ingress through any permanently sealed seam joints or delamination of panels and floor, being part of the original manufacturer's construction. The manufacturer will honour the guarantee for 72 months from the date of purchase, provided that the caravan has had an Annual Service including a damp meter test, in accordance with Swift Group's warranty procedures. The sixth Annual Service must, however, be carried out before the expiry of the 72 month period from the original date of purchase (or hire purchase).

Three year SuperSure manufacturer's warranty

The manufacturer will honour the warranty for 36 months from the date of purchase (or hire purchase), provided that the caravan has an Annual Service in accordance with Swift Group's warranty procedures. The third Annual Service must, however be carried out before the expiry of the 36 month period from the date of purchase (or hire purchase).

In the first 12 months the warranty will cover:

Faults arising from a manufacturing defect but not those which are a result of normal wear and tear or those which relate to replacement light bulbs. Also not covered under the first year are faults resulting from accidental damage or damage caused by misuse of any component part of the caravan.

In the years two and three the warranty will cover:

1. Original components of the caravan including permanently fitted equipment forming part of the manufacturer's original specification.*
 2. Water ingress and body delamination.
- * There are certain exclusions. For the full terms and conditions of these warranties please refer to the warranty section in the Owner's Service and Warranty Handbook, or check the details on the Swift Leisure website.

All Cameo models have been certified by the National Caravan Council for compliance with stringent European Standards, British Legislation and industry set Code of Practice specifically relating to health and safety issues. The approval process covers the testing and inspection of critical areas of the product from fire safety, weights and dimensions, to gas, electrics and ventilation. Every caravan carries the "NCC Approved Caravan" badge.

The NCC also conducts unannounced inspections at the swift Group factory to ensure continued compliance. NCC Approval gives you peace of mind that your caravan is legal and safe.
