Abbey Caravans : 05

Abbey Caravans : 05

The 2005 Abbey collection is the most desirable yet with a choice of 25 models across the Aventura, GTS Vogue and Spectrum ranges which all benefit from new features.

The all new Abbey Aventura has three new layouts and a brand new exterior design. Inside the range has a fresh modern look and benefits from the latest in hi-tech construction methods.

The GTS Vogue and Spectrum see upgrades across both ranges with exteriors all sharing a new distinctive front panel.

Abbey remains the only range of tourers to offer the unique scratch and impact resistant benefits provided by the GRP (Glass Reinforced Plastic) side walls fitted to all models.

Abbey ensures your touring experience is enjoyable by providing SuperCare, a comprehensive aftersales service, and SuperSure, a manufacturer's three-year warranty, to provide reassurance and peace of mind.

Abbey has an active owners club, open to all purchasers of Abbey tourers.
Full details can be found by logging onto www.abbeycoc.co.uk

Aventura

The Aventura's all new 7'4" bodyshell has a new rear panel with new light clusters and integrated high level brake light and sophisticated smooth flowing front with new style windows. The latest AL-KO AKS 3004 stabiliser has been fitted for added towing confidence.

a life of relaxation or a world of adventure

New Botero green soft furnishings combine with the Pennsylvania Cherry woodgrain and light beige contrasting details to create a welcoming interior. Moulded lockers and bed frames have been built using precision-engineered methods to make them strong and light. This provides the benefits of more storage space with large doors for easy access. In some models hinged locker shelves make even greater use of the space.

Aventura

Other new features include enhanced 12V halogen lighting, loose fit carpets on wood block effect vinyl flooring for easy cleaning and tough lightweight aluminium bunk ladders. Fixed beds now have aluminium frame tops with sprung beech slats to make them stronger and more comfortable.

Aventura

New domestic-style kitchen facilities include a Belling range-style cooker, recessed sink with circular bowl and chopping board and concealed 89-litre electronic ignition fridge. Corner washrooms now feature a bi-fold door to separate the shower area from the cassette toilet.

Aventura Features

Exterior

GTS Vogue

This range has been given a stunning new look, with a smoother, more aerodynamic front. The flush aluminium framed windows, striking graphics, distinctive rear light cluster and alloy wheels all combine to create an outstanding exterior.

a life of relaxation or a world of adventure

New suede-effect front corner panels and Heki rooflights give a fresh, airy look with Zenoris green and gold soft furnishings and stylish furniture. Curved lockers with solid ash frames provide plenty of storage.

GTS Vogue

Other benefits include smooth operating concertina blinds and loose fit carpets on wood block effect vinyl flooring for easier cleaning. Electrical equipment is easily controlled via a panel positioned over the door, which is finished in a champagne colour to co-ordinate with the sockets and light switches.

GTS Vogue

The kitchens have undergone further improvements with the addition of a new Belling range-style cooker, food grade nylon chopping board and new kitchen laminate. The new improved charger unit has a higher output and there is provision to plug in a solar panel for greater independence.

GTS Vogue

Washrooms are spacious and practical, thanks to the 7'4" overall width, and all layouts boast a luxurious specification with separate shower areas or enclosed cubicles.

GTS Vogue Features

Exterior

New for 2005

- **AL-KO AKS 3004 stabiliser**
- **Hitch cover with integral gas compartment light**
- **Re-styled front panel featuring new style screen print windows**

Spectrum

The Spectrum boasts a host of new features and, like the other Abbey ranges, a smoother, more modern look with a new front panel and screen tinted edges to windows. The glacier white exterior of this twin axle tourer sports colourful graphics and 14" polished alloy wheels.

a life of relaxation or a world of adventure

Burgundy and pale gold soft furnishings create a warm and comfortable interior. Mini and large Heki rooflights let in plenty of light and air.

Front corner pods in suede-effect fabric sit alongside stylish curved lockers with solid ash framed doors, which provide plenty of easy-to-access storage. Even more storage space is located under the hinged bed tops, which open easily.

Spectrum

The well-equipped kitchen has more luxury to offer in 2005 with a new Belling range style cooker, a microwave oven as standard, new laminate work surface and a new food grade nylon chopping board.

Spectrum

Fully fitted luxury washrooms with separate sealed shower cubicles are featured in all models and other high specification equipment includes microswitched chrome finish lever tap, large vanity bowl, built-in 9 gallon water tank and Thetford cassette electric flush toilet.

Spectrum Features

Exterior

New for 2005

- AL-KO AKS 3004 stabiliser
- Hitch cover with integral gas compartment light
- Re-styled front panel featuring new style screen printed windows
- Glacier white exterior

Your Local Dealer

All Abbey models have been certified by the National Caravan Council for compliance with stringent European Standards, British Legislation and industry set Codes of Practice specifically relating to health and safety issues. The approval process covers the testing and inspection of critical areas of the product from fire safety, weights and dimensions, to gas, electrics and ventilation. Every Abbey caravan carries the 'NCC Approved Caravan' badge. The NCC also conduct unannounced inspections at the Abbey factory to ensure continued compliance. NCC Approval gives you peace of mind that your caravan is legal and safe.

For added security all Abbey caravans come registered with the Caravan Registration and Identification Scheme (CRIS), the UK's official database of caravans and their keepers. Abbey caravans not only carry the unique 17 digit CRIS Vehicle Identification Number (VIN) die stamped into the chassis, but windows are also etched with the VIN and an electronic tag embedded within the bodywork for extra security. Specialist insurance companies increasingly require registration with CRIS before granting cover and when you come to sell your caravan your CRIS registration will prove invaluable.

INVESTOR IN PEOPLE

This brochure does not constitute an offer by Swift Group Limited (Swift). Swift reserves the right to alter specifications and prices at any time as materials and conditions demand. Distributors and dealers sell Abbey products on their own account and not as agents of Swift. Accordingly, they have no authority to bind Swift or to make any representation or undertaking whatsoever on behalf of Swift.

The touring caravans described in this brochure are designated by their model year. The model year runs from 1 September to 31 August and the despatch of 2005 models will have commenced on or after 1 September 2004.
