Sterling Plus Points

- > Sterling Plus Points Additional features European Whole Vehicle Type Approval ensures compliance with strict weight, dimension and safety regulations
- > EN1645 Grade 3 classification for heating and thermal insulation (Cold chamber tested)
- > 1.95m (6'5") headroom
- > One-piece, 5000 Series marine grade aluminium sidewalls
- > Strong redwood body and floor framing specially treated to resist moisture and fungal attack
- > Hankook branded tyres for improved performance and safety
- > Higher tyre rating - a minimum of 150kg extra load margin at 130kph (law permitting)
- > Shock absorbers for a smoother towing experience
- > Step-on hitch cover for easy cleaning of the front windows
- > Gas regulator fitted with stainless steel braided hose for improved reliability
- > High security entrance lock for peace of mind
- > Aerial point in battery box for portable satellite dish connection
- > TV station with 230V, 12V and aerial sockets (two in 586 model)
- > New bed make-up system with slats retained on track
- > Seat bases with spaceframe construction, full front access and space for larger items
- > Areas under beds and seats warmed by blown air system and underfloor ducting insulated to minimise heat loss
- > Front chest of drawers with convenient slide-out extending top
- > Large dining table (960mm x 600mm) for full-size place settings
- > Positive overhead locker catches for secure storage whilst on the move
- > Dual fuel hob with 800W electric hotplate and 3 gas burners with electronic ignition
- > Ventilated microwave oven with digital controls built in at an easily accessible level
- > New dual fuel Truma Ultrastore water heater, now with two 230V settings - 850W or 1300W for rapid heat-up
- > High flow rate in-board pump with chrome finish brass taps for reliable, high performance water supply
- > Separate shower mixers with adjustable head positions
- > High impact, scratch resistant floor lino
- > Large capacity (15 litre) waste bin on lower door
- > Solar panel connection provision

AWNING SIZES: Due to the varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or the awning manufacturer prior to purchase.

Bed Sizes: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.4m(1'4") from that stated.

Weights: The method of calculating the Mass in Running Order (MRO) and user payload figures has changed in order to bring it in line with European Vehicle Directives.

Allowances for essential equipment (e.g. gas cylinders) previously allowed for in the user payload are now contained within the MRO. A provision for a leisure battery which used to be within the essential equipment payload has now been included within the personal effects payload allowance. Although the method of calculation has changed, the overall effect is that the amount of payload available to the customer has remained the same, it is just calculated in a different manner.
